

COMPLETE LIST OF DEATHS

that have occurred among those from the camps, from 1999 to the present. The results below are confirmed through door-to-door research, and by the camp leaders themselves. In spite of the known toxic conditions, the families, affected by the most serious detrimental conditions of toxic metal poisoning, were never offered an autopsy, nor has one ever been carried out. Neither has any official record of deaths been made by the authorities.

Camp Deaths		(name anonymised)		1999 to present	
No.	Name	Year of Death	Age	Camp (where known)	
1	Saban C	1999	31	Zhitkovc/Žitkovac
