Dear Mr Zannier

Re: Roma, Ashkali and Egyptian Claim for Compensation on Behalf of Roma Residents of Internally Displaced Person Camps in Mitrovica, Kosovo

We write further to your letter of 7 December 2009.

Despite your assurances within that letter that you would ask UNMIK's Office of Legal Affairs to establish communication with us, we have not heard from them.

Following receipt of your letter, we made contact with Mr Van Lamoen ourselves, whom we presumed to be a suitable representative within the legal office. A copy of our letter to him is attached. We have not, as yet, received the courtesy of a response.

It has now been 7 weeks since you promised to open communications for our clients yet we have heard nothing. Overall, it has been over 3 months since we first contacted you, and you have failed to respond substantively to our clients claim. This serves to cause additional distress and anxiety to our clients who await news as to how the United Nations propose to deal with their claim.

It is deeply unjust to fail to address our clients' claims in a timely and responsible fashion.

We would be grateful to hear from you, and from UNMIK's legal office, within 7 days.

Yours sincerely,

Leigh Day & Co
